THE MISSION

Paragon creates inspirational learning experiences, stronger communities, and a better world through educational furnishings.

Our mission is to improve the experience of students & teachers through innovative furniture design that positively impacts the future of our society.

THE COMPANY

Since 1984, Paragon has been manufacturing modern furniture solutions for flexible & progressive learning environments.

We design, engineer, manufacture & assemble the furniture from our own factory in Arlington, TX. We use the highest quality raw material, and our manufacturing floor features the industry's best equipment, software, & staff.

Each piece and every line is meticulously designed & engineered to work cohesively with the curriculum and in concert with the learning space.

THE FOCUS

CLASSROOM

MAKERSPACE

LIBRARY

LOUNGE

A modern classroom setting with several desks and chairs. The desks are light-colored with green accents and are on wheels. The chairs are green. There are laptops and books on the desks. The room has large windows and modern lighting fixtures. A large red hexagonal graphic is overlaid on the left side of the image, containing the word 'CLASSROOM' in white capital letters.

CLASSROOM

It was the best of
times, it was the worst
of times, it was the age
of wisdom, it was the
age of foolishness...
