

GRADE IN PROGRAM

Effective January 1, 2018

Paragon Furniture, Inc.™ partnered with Momentum Textiles to offer hundreds of upholstery options all conveniently graded into the Paragon Furniture price. Customers simply pick a graded fabric pattern, grade and color, place an order with Paragon Furniture, and Paragon Furniture will take care of the rest. Material testing is not required.

Upholstery pricing for the Grade-in Program is available on Paragoninc.com. Customer Owned Material (COM) orders are still welcome. COM materials are not required to be tested, however customers will need to purchase their own material and send it directly to Paragon Furniture for the manufacturing process.
